Join SACC-Ohio Members traveling to E-Days in Stockholm,

September 15-16, 2008

The Swedish-American Entrepreneurial Days has become the most important trade and networking event between Sweden and the U.S., providing an effective platform for trade and commerce. For the past eleven years the Entrepreneurial Days have enabled small, medium, and large companies to connect and develop new business relations. Last year's event in Sweden gathered around 1,000 participants from both sides of the ocean.

This year's main event, the Stockholm E-Days, is quickly approaching and we welcome you to join the SACC-Ohio members who are going. Don't miss this unique opportunity to network with Swedish companies, and seek out opportunities to market Ohio as a powerful business center in the US.

The focus for Stockholm E-Days is:

- **Clean Tech**
- **Global Innovation**
- **Entrepreneurship**
- **Investments**

The Stockholm E-Days are structured around four main areas:

- **Keynote speaker** presentations and panel discussions.
- An **exhibition** where US and Swedish regions, organizations and corporations present their advantages.
- **Matchmaking meetings**. This is perhaps the most important part where companies and individuals state their business and what type of contacts they are seeking. SACC will then match these requests and set up 30 minute meeting between prospective contacts.
- **Networking with both US and Swedish companies** and business individuals will provide opportunities to exchange experiences and views on how to accelerate business and trade between the US and Sweden.

Use the following link for more detailed information about the Stockholm E-Days, each session, speakers, and businesses already registered: <http://sacc-edays.org/stockholm/>

We hope that you will be able to join us and look forward to hearing from you. Please contact us at info@sacc-ohio.org and let us know if you are planning to come and how we can help you build your business and networks through E-Days.

Please note that the **early bird registration ends on July 30th!**

We look forward to seeing you in Stockholm!

Sincerely,

SACC-Ohio

Lars Eriksson
