Regional chapter of SACC-USA: <http://www.sacc-usa.org/cms/>

### Notice of Business Meeting at 5:30pm on March 5, 2008

#### JumpStart - Seeding the Economic Future of NE Ohio

Join us to learn more about **JumpStart**, an organization that **funds** high-growth businesses and ideas, works with their founders to **develop** the businesses into venture-ready entities *and simultaneously celebrates* Northeast Ohio's early-stage company successes.

#### Meeting - Agenda

A short business meeting will be held directly before the main program.

1. Welcome Address and Participant Introductions
2. Business Presentation

#### Business Presentation

**Jim Doughman**, Senior Director of Operations will give an insight into the activities of JumpStart. He will also tell us about new talent initiative that will help our portfolio companies recruit executive talent.

Jim Doughman came to JumpStart with 26 years of business experience with smaller, entrepreneurial companies throughout Northeast Ohio. Among other activities he spent two years helping small and midsize companies grow with CAMP, Inc, (now a division of MAGNET), then served as Vice President of a digital media start-up company, providing instructional and marketing products to technical clients. Most recently, Jim worked as Marketing Director for Maingate Business Development Corporation. He earned a BS in Public Relations Journalism with a Physics minor from Kent State University and an MBA from the Case Weatherhead School of Management.
